HARMONICS

HARMONICS IS THE MODERN APPLICATION OF THE ANCIENT WISDOM RELIGION OF ETHERIA.

The Science of HARMONICS has, as one of its major goals, an attempt to raise the whole of Reality to one Basic Formula. It seeks to include both the human and the Divine Nature within the framework of a unified mathematical system.

A study of this all-inclusive System enables us to understand what "God" is now waiting to do for us, and shows us how to co-operate with Life to achieve the ultimate goal of all human endeavors, that is: the Union of the lower nature with the Higher Self, a literal transmutation of the human into the Divine.

The word HARMONICS will henceforth serve to identify this special and specific movement of The Etheric Brothers as one of Their major channels of Instruction for the remainder of this Century of Uncertainty in our solar system.

The Philosophic System of HARMONICS shows us the proper relation of all the parts to the whole. It pinpoints our place, as future Initiates, in the entire Evolutionary Pattern and Program of the Divine-Mind-Heart-Spirit.

HARMONICS provides us, further, with a Method for Self-development that will surpass our present state of consciousness and limited human activities. At this point the scientific aspect of HARMONICS gives way to the ART of HARMONICS, as we put into practice its formulae; and become individual creators.

If the Harmonic Formula is applied the results are certain to be achieved. The time element will depend upon the intensity of the Desire and the strength of the Personal Will, in each Student of this Modern Science of Balance.

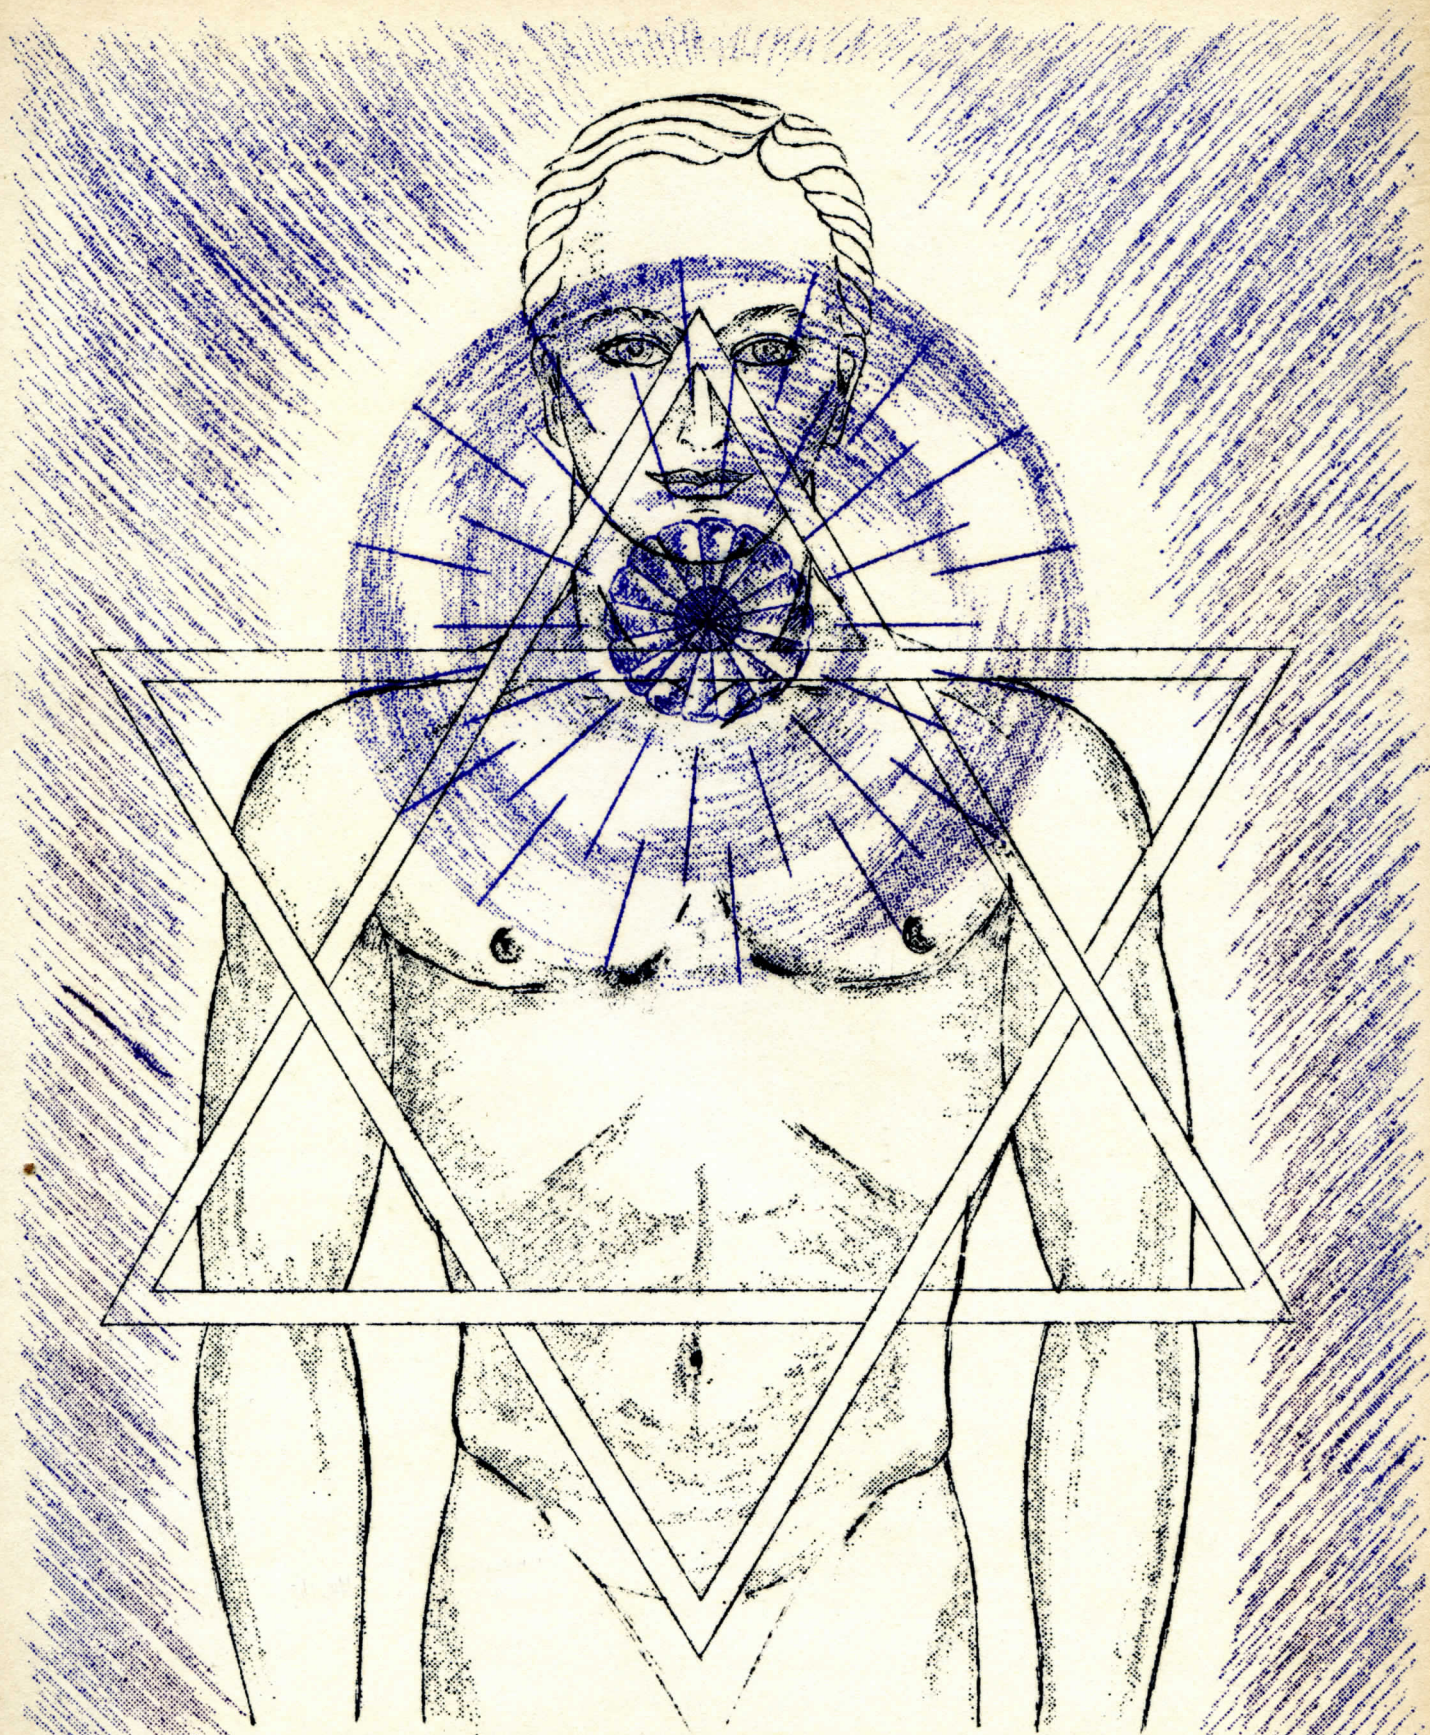

The Science and Art of HARMONICS is two-fold in its action: It seeks first to harmonize the Individuals lower nature with his Higher Self. By so doing it will eventually harmonize the affairs of communities and nations.

FIRST, each of us must harmonize and balance our own personal worlds and lives. Then, and not until then, will world balance and harmony be achieved! Your problems thus become the problems of Humanity. And, more importantly, the trials of Humanity become part of your personal responsibility and concern. HARMONICS is thus the answer to your problems. And HARMONICS is also the solution of the worlds problems--since each of us make up the complete world.

HARMONICS IS THE CHANNEL OF LIGHT FROM THE ELDER BROTHERS OF UPPER-ETHERIA (And HARMONICS is the open doorway into your own personal, eternal Freedom.)

The thirty-six Lessons in HARMONICS, together with the Brochures & Bulletins, are sufficient to establish your life and affairs on the changeless foundations of the Harmonic Law of Personal and Individual Balance. And this is Perfection.

Petra

THE FIFTH TEMPLE OF THE ANCIENT BROTHERHOOD IS LOCATED IN SOUTHERN ARABIA, NEAR Palestine. This is one of the few Temples which can be entered by the Student who has not yet learned how to travel in his Astral Body. However, it would be vastly simpler and certainly much less expensive if he could use his finer vehicle and make his way into this ancient sanctuary without the aid of the many requirements a physical journey would demand.

To enter Petra, the City of the Red Rocks made famous by the early writers of the Old Testament, one must first secure permission from the Moslem authorities to do so. Then he must possess a great deal of money in order to hire a large caravan to carry in the precious supplies of food and water, to say nothing of a small army which he must employ to protect his physical body from the brigands which infest this desolate area.

It is entirely appropriate that the Temple which holds the most unique of the Seven Rays, the Power of the Throat or Moon Chakra, should also be wonderfully unique in its geological features. In the highly mystic tales of The Arabian Nights the ancient caverns of Petra figure prominently. Ali Baba and his incredible experiences tell us much of the secret traditions which pervade this fairyland of red, pink and white marble. Modern geologists have never entered more than a handful of the thousands of enchanting caverns which honeycomb this vast area which has been known and honored by kings and queens, pharaoh and monarchs of a historical past so ancient one can only guess at the exact period.

Petra was well known to the pharaohs of Egypt, the storied kings of Ind, the exotic lords of China. Petra was also known, and revered, by the philosopher-kings of Atlantis and the mythological land of Pan, or Lemuria. The written accounts of mystics and psychics have contained many descriptions of the overwhelming beauty of these gigantic caverns of crystal, marble and jade which, in their dreams or visions, they believed they had seen and visited. Human words will never convey but a shadow of the Great Light Which dwells within the holy halls of Petra the Glorious. Without a doubt the accounts left behind by many mystics and saints of this natural fairyland and its endless halls of priceless jewels and gems, the bubbling fountains of shimmering Light, the vast libraries, halls of paintings and art-work, the strange machines and laboratories---all of these tales have sprung from their visits to Petra in ancient Arabia, for none of the other Temples of the Great Wisdom contain the glories to be found here.

The Red Rock City of Petra is located in one of the most inaccessible areas of the world; and for this reason no doubt it has remained more or less intact and unspoiled by the coming of wars and human struggles. In 1935 the National Geographical Society sent an expedition into Petra for a brief but illuminating visit. Only a few of the Outer Temples or Chambers were entered and studied, the Inner Court or Halls of the Great White Lodge remaining, as always, unknown and untouched by ignorant humanity--until invited to visit them by the Elder Brothers.

THE TRADITIONAL HOURS OF RADIATION FROM THE THROAT OR PETRA TEMPLE BEGIN ALWAYS at Twelve Midnight and continue for three hours, in contrast to the Sun Temple which begins its Radiation at Twelve Noon. Thus for the most effective contact with the Throat or Moon Temple will be found between Twelve Midnight and Three A.M. in the morning.

While every Student comes under the influence of the Moon Rays, as they are received at Petra and then projected to Humanity (between 12 and 3 A.M.) there is a period in the spiritual development of each Student which will require him to work exclusively through the Moon or Throat Radiations. During this period the consecrated Student is under the intense observation of the Elder Brothers Whose special Service to Mankind is through the Throat or Moon Chakra, the most unusual of the Centers of Spiritual Consciousness which manifest through every human-form.

This period is considered the most dangerous of all the "Initiations" the Student will have to experience. In the destiny of nations, when a great group of Egos or Souls are collected together in a certain country in order to experience a special outpouring of the Moon Ray, there is also great danger. The danger lies in the possibility that the immature and highly limited consciousness which manifests as the Human Personality will not be able to receive the First Outpouring of the Cosmic Consciousness which comes from the Throat Center, the Moon.

At this point the limited human consciousness first touches the tremendous Rays of the Cosmic Fires Which govern the entire Solar System (and the millions of other systems throughout the galaxy of universes.) It is similar to a child being entrusted with the powers and freedom of an adult, or a peasant suddenly being granted the kingdom of a prince. If Mankind has properly developed the Great Light that burns from the very center of his Heart Chakra---he will never make a mistake or fall into disaster through unwise misuse of the Cosmic Laws that manifest, first, from the Moon or Throat Chakra.

History is full of the lives and actions of those vigorous Egos who have failed to heed the wisdom of The Still Small Voice, within the Heart, and have plunged headlong into a destiny which has brought them to complete destruction. One of the best known of such Egos was Napoleon Bonaparte (who was the same Ego that made his name, Julius Caesar, equally famous at an earlier period.) A brief review of history will reveal hundreds of other Souls who failed to follow the guidance of their Over-Soul as It speaks through the Heart, Souls who tuned in to a Current of Energy so vast it completely unbalanced them, mentally and emotionally. And not only do we find such catastrophes among the great leaders and warriors. Within every religious body there has been a similar disaster. Indeed, in religion and philosophy we find many, many more such cases of Ego-insanity than in any other field of human endeavor. This is quite natural, as the study of religious principles will inevitably lift one close to the Cosmic Sources of all Life and Consciousness. It is thus that we frequently find mystics and saints overwhelmed with an exaggerated idea of their personal importance, their special powers and their favored place in the divine scheme of life.

It is an old story among the leaders of various mystical and religious sects which spring up from time to time. In the beginning these people are almost invariably sincere and noble in their efforts and intentions--and frequently very humble and selfless in their service to Mankind. Before long the intense Rays of the Super-Conscious, which they touch through the Moon Center, begin to overwhelm their good judgment and common-sense. They feel they are especially important in the Divine Plan. They feel indispensable. Soon they are lost in the bewildering clouds of Cosmic Consciousness. Like Lucifer, they fall, defeated.

IN THE HISTORY OF THOSE NATIONS WHICH HAVE FALLEN THE VICTIM OF THEIR OWN INTIMATE ambitions, none is so well known to us as that group of Egos which have reembodyed over and over again in the Jewish or Hebrew racial divisions. These strange people have occupied the talents of the greatest psychologists and philosophers of many civilizations--and are still as baffling to modern thinkers as to the ancient scholars.

Unless these greatly maligned and long-suffering people are studied from the standpoint of the Inner Law of the "PersonalityChakras" they will never be seen for what they are-- their strange history will never make sense, their persecution by other races will never be seen as anything save the action of senseless human jealousy and fear.

In a completely literal sense the Egos embodying most of the Jewish people are of a "chosen-race." These entities were originally members of a large colony of Atlantean natives who settled in ancient India for a special purpose and unique method of evolution. This special evolution was designed for them by their Great Teachers, the Philosopher-Kings of Atl. They were taken to India, or the continent in an area now occupied by the Indian nations, at that time when their Divine Manu or Leader believed they were ready for the release of the Cosmic Consciousness through the Throat Center--a Power which would lift them out of the Mass-Consciousness of the Tribe by bestowing upon and within them the Divine Idea of Individuality. In other words, they would become consciousness of their own separate Over-Souls, their Immortal Natures, their Christ-Minds.

This was an Initiation of an entire Race of entities---rather than that of the solitary Disciple of the Mysteries, which is the method followed now (and also in those early days, with this single exception.) Whereas today the Elder Brothers select a single Student, or a very small group of Disciples, and prepares to bestow upon him one of the Great Revelations, or Initiations, explaining some Cosmic Aspect of his Immortal Nature, in this case of the Jewish-Atls (numbering twelve millions) the Elder Guardians chose to experiment with an entire Temple Family. A Supreme Deity was chosen to overshadow these young Egos, and project through them the same Consciousness He possessed---thereby stepping up their evolution by millions of years, and also avoiding the countless dangers of the traditional path of progress down which the rest of Mankind has been required to pass. In this case the Cosmic Authority for the Jewish Egos was the Lord of the Moon, the Regent Jehovah Who controlled the action of Life through the Throat or Thyroid Center. (See, "Secret Doctrine" by H.P.B. "Rig-Veda" "Ananda-Upanishad", "Ramanaya," Sacred Hindu Scriptures.)

By this unique and highly unorthodox experiment The Lords of Creation were hoping to sidestep the "Great Abyss" into which mankind has fallen because of their loss of their realization that they were (in the Garden of Eden) one with The Father. Could The Supreme Teachers and Lords of Light Who brought Humanity forth (from Themselves) have succeeded in this Cosmic Experiment the terrible history of Man's tragic suffering, his ignorance and eventual death in each embodiment---all of this would have been avoided, and Humanity "conceived in Grace" would have always manifested his Divinity by "creating as the Gods," and "knowing not the opposite of Good". Such Cosmic Creating was one of the Great Gifts of Jehovah to His "own people." Matter, substance, as we know it today did not present to these early Jehovahians the qualities of solidity and "deadness," of unconsciousness, as we see it. The Jehovahians brought forth all they required not by "the sweat of their Brow" in the sense that we know these words today. This "sweat" was truly of a divine nature. It was a highly magnetic or electrical substance, literally a "mind-substance" which obeyed their every command and visualized picture.

THE BROW CHAKRA IS THE CENTER OF MENTAL CREATION OR VISUALIZATION FOR THE LIGHT as It moves through the Higher Personality. The True Thought Images are projected from this Center between the eyes—and are filled with Substance or Matter from the Throat Center.

The un-true, un-real or reflected images of the lower personality are projected from the Navel Center, and filled with Substance from the Spleen Center.

All animals and the lower form of Life in the insects are controlled by their overshadowing Group-Soul projecting Its images into the Navel or Solar-Plexus Center. These images are in turn filled with the substance which their Lord of Nature (Jupiter) stores in the Spleen Center. Thus it is impossible for the animal and insects to "see" or know anything except the thought images which the Group-Soul has consciously projected through these lower Chakras.

The lower divisions of the human races are controlled and governed in exactly the same manner as the animals. (Jungle peoples, primitives of various degrees of consciousness.) It should therefore be clear why the Racial Gods are so important to these primitive Egos, and why they cannot disobey their Gods without expecting some severe punishment in return.

When members of a primitive race have evolved to the place where the Lords of Evolution believe the tribal consciousness can be replaced with a higher form of Self-awareness (Personality) these members are directed to reembody in a nation or race which is manifesting upon a higher level of Consciousness. However, the dangers, crises and terrible conflicts which characterize the average human race must be experienced and endured until the Ego can rise above his lower nature. The orthodox or usual system of human evolution (from his lower centers up thru the Higher Chakras) is never a certain system, one not possessing countless dangers—and the ever present possibility of the Ego slipping back down into his lower nature and, eventually, losing all Consciousness of Self. (There have been thousands of Races which have exterminated themselves by thus falling back down into the disintegrating Rays of the Lower Principles. The vicious forms of animal-life today are the ghastly remains of formerly human entities who have, in one way or another, fallen back down the ladder of Cosmic Evolution instead of rising upward into greater and more nobler forms.) The wise Student will, we hope, avoid the smug assumption that his goal is certain and that he has nothing to worry about in this great matter of purifying himself of all his lower, or animal propensities. NO ONE OF MANKIND IS SAFE FROM PERSONAL EXTINCTION UNTIL HE HAS RISEN UPWARD TO THE THROAT CHAKRA—AND MASTERED ITS POWERS AND PRINCIPLES. (It is for this reason that The Christ Principle takes "human-form" and bathes Humanity in His Radiant Consciousness at regular intervals down the ages.)

When "Jehovah drew His Children unto Himself" He projected into their Brow Centers Divine Images of Perfection and "visions of heavenly splendor." That is, as in the "ancient days" the Lords projected ideas and images through the Navel Center. The Lord Jehovah now projected Cosmic Ideas through the Brow Center of these few Chosen Peoples. He presented them with a perfect pattern and plan for their own life and personal careers—intended to lift them up to the Christ enmasse, as one great family—rather than as separate Disciples and Pilgrims of today. All the people needed to do to make these Plans, these Divine Images, a literal and vivid part of their personal lives was to fill them with the Substance from their Throat Centers. "And in the Beginning it was so. The Word was Good, and the Word was with Good, and Good kneweth not save Itself."

IN THE BEGINNING OF THIS GREAT EXPERIMENT THE ELDER BROTHERS, WATCHING THE RESULTS in the lives of these Chosen People, were encouraged and pleased with the responsive attention and obedience The Great Lord Jehovah was receiving. With deep reverence and gratitude these people obeyed the Perfect Ideals which arose within their Minds and proceeded to fill the Images with the Substance required to make them a part of the outer world. There was no labor, as we understand it, to bring forth food and material supplies. The Chosen Ones merely accepted the Radiant Patterns Jehovah held before their Minds Eyes, and filled it with the Life that dwelt in their Throat Chakra. Thus, food, clothes, material objects of all kinds were "precipitated" or projected from the Invisible Ethers into positive and tangible form for their daily use.

In time a class of leaders and directors inevitably developed amongst the more dynamic and vigorous intellects. These became the first priests and teachers and were extremely useful to Jehovah as assistants and intermediaries. This class of aggressive Egos gradually formed itself into a ruling hierarchy or dynasty, still living very closely to the Original Plan of Jehovah and giving Him constant obedience and reverence. And with the assistance of this Divine Dynasty, these Chosen People became the admiration of the world. They were a race apart, superior, supreme, exalted far beyond the rest of Mankind. The envoys and ministers they sent to the rest of the world were received and honored as gods; and living in constant obedience to the Divine Pattern of Jehovah they were indeed more as gods than mortals.

Then "The Terrible Maya" (illusion) which the Elder Brothers had feared overtook the ruling classes. Little by little the insidious seeds of pride, conceit, vanity and self-glory began to stir in the consciousness of the upper classes as they basked in the admiration of the world. Subtly, imperceptibly and almost unconsciously the leaders began to take their power and privileges for granted, forgetting that they, as well as the humblest subject, were completely dependent upon the Great Wisdom of their Lord-God, Jehovah, Regent of the Moon Center. They forgot that the majestic powers which they used with such splendor and personal grandeur were a Gift from their Lord Jehovah--for without His Images of Power and Perfection projected into their Brow Centers, they, the rulers, could never create or control the smallest particle of matter or energy.

At this point Jehovah inspired certain ones of his people to "arise and go forth with the Word of the Law." In the Bible we may read something of these many prophets and messengers who came to this "stiff necked people", this "race of vipers" exhorting them to return to the old way of Life. The Bible tells something of the resultant struggle between the prophets and the kings, with the people as the prize. We learn of the eventual dissolution of the Tribes of Israel, and the suffering they experienced when Jehovah withdrew His Almighty Wisdom and Power from them. There are various books which tell us many of the details of this strange climax to a Great Experiment that failed. (An especially fine book is "A Dweller on Two Planets" dictated by Phyllos to a young man about fifty years ago.)

An outstanding feature of this Chosen Race was their belief that a Great One, a Messiah, a Saviour, would someday return and restore them to their former glory. Many of these benighted people are still expecting The Coming of their King, after having so vigorously rejected He Who Has Come. ***** And because of this strange experiment, begun so many ages ago, every human being amongst the many millions of modern Humanity carries a burden which only The Christ can lift.

THE WORD IS-RA-EL IS A MYSTIC TERM DENOTING SOMETHING INFINITELY MORE THAN THE handful of wandering nomads from which the present race of Jewish people is descended. The Twelve Tribes of Is-Ra-El are the Twelve Creative Principles of our Solar System--and have nothing to do with the Hebrew religion and its many sects of Jewish remnants.

It will require much more space to present a clear explanation of The Ancient Plan, and its unsuccessful experiment with the Chosen People, than can be given in this Lesson. Also, a study of the Brow Center is necessary to properly understand the nature and purpose of the Throat Chakra.

The Kabbala, or the Mystic Code of Is-Ra-El is one of the most secret and hidden of all the Holy Scriptures. Note the fact that in the Kabbalistic system, we find Saturn designated as the chief head-center, rather than the Sun, which the Oriental or Hindu Philosophy teaches. Like the Christian Bible, the Books of the ancient Chaldean Teaching, the Quabb-La, were never intended for public and indiscriminate study. Most Students realize that the Bible is written in code, having several Keyes required for its complete translation. This does not seem at all strange to anyone who understands the need to protect the Sacred Word.

In the books which present the Kabbala to our modern public world of casual readers there is nothing to indicate that what is printed on the pages is merely a blind, a cover-up, to protect Teachings which are far too advanced to entrust them to the misuse of the ignorant public. But it should be evident immediately to any Student worthy of the name that modern copies of The Quabbala containing symbols and diagrams with Saturn moving through the top of the Head are written in the traditional code used by the ancient scholars to protect "The True Wisdom." This is the Christ inverted, Saturn (Satan) elevated. It is typical of the many features of Judaism which have made it obnoxious to Christians, Moslems and Orientals in general. As we have it in the present cycle, Judaism is almost completely an inversion, an "upside-down version of true Christianity."

According to the early Scriptures, written shortly after the departure of Christ, Peter is said to have been crucified head-downward (upside-down) while St. Paul is said to have been beheaded on the same day Peter lost his life on the cross. The alert Student will instantly see the meaning of these symbolical legends.
